# National Engineers (india)

<https://www.nationalhvacr.in/>

We are engaged in the authorized wholesale dealing, trading and distributing Scroll Compressors, Danfoss Compressor and Commercial Ventilation System.

## About Us

Established in the year **1989**, we, **National Engineers (India)** are one of the leading authorized wholesale dealer, trader, and distributor of a quality range of Scroll Compressors, Danfoss Compressor, and Commercial Ventilation System. Our products are appreciated for features like long service life and low power consumption. We are exporting our products **all over the world**. Our products are quality checked at our in-built quality testing unit and our warehouse supports us in safely storing them. Owing to our stringent quality measures and policies, we are able to achieve a high level of client contentment. Our organization was established by, “**Mr. Pradeep Kumar Bachhawat**”, a leader, a visionary and a businessman with ample of knowledge. With his vast industry experience and skills, he helps the organization to achieve the impossible and come out as one of the prominent names in the industry.
